What are the main issues and priorities for change that you have identified?

I want to change the wall on main road [Furnace]

Mainly the local bus service regular small bus between Airshaigand Inveraraywould be good No tradespeople. Need more people to move here, more people to pay Council tax, get mor electriciansetc.

People get dumped with no transpottins on pavements/roadsdangerous

People still speeding through village. Don't feel safe walkingavement. Lorries travel too close to path. Bad roads Queen Elizabeth Cottages. Need 2 salt bins to enable us to use our salt spreader safely.

Speeding traffic above 40 mph Bigger bin for litter at the layby

What actions could be taken to deal with tese?

better planning for housing better transport

Pay people to move here

Refix the main road wall crack
