

Monitoring & review:

Road conditions are subject to periodic inspections by Council staff during the period of operations. Parallel inspections by the ATTG Project Officer will be carried out when practicable. Any deterioration of the road surface observed by interested parties (hauliers, land owner, agents etc.) must be notified to the local Council Roads Operations office as soon as practicable.

Haulage should be suspended immediately if there is any doubt that significant damage is evident or likely to occur and only resumed after consultation
